December 15, 2021

It is hard to believe that this year is almost over. Where did the time go? We finished our last meetings for 2021 in northern

Virginia the week after Thanksgiving, and returned to our sending church in western Maryland. Since then we have been busy getting the things done that we cannot do on the road. (Our ministry board meeting, Dr. appointments, restocking supplies, etc.) It is also when we get to spend some time with our church family. We normally come "home" the second week of December and then leave for meetings again the second week of January. We don't get to see our church family very much. While home, I lead the singing and we do special music each week. Pastor

usually has me preach one of the Sunday services as well. We also try to take some time to visit our daughters in Illinois and Arizona before the end of the year. Our youngest daughter,

Rachel, and her family live in Shorewood, IL (about 40 minutes south of Chicago) They are helping to plant the Shorewood Baptist Church. Our other daughter, Bethany, and her family are in Ft. Thomas, AZ (about two hours east of Phoenix) working with the Regeneration Reservation, a ministry that was started many years ago by Lester Roloff. They minister to the San Carlos and White Mountain Apache reservations working to reach the Native Americans with the Gospel. They have been there for twelve years. Our grandparents taught our parents to serve the Lord. Our parents taught us to serve the Lord. We have done our best to teach our children to serve the Lord, and we are thrilled about the great job our children are doing of training their children to serve the Lord as well! **Prov. 22:6 "Train up a child in the way he should go: and when he is old, he will not depart from it."** Raising children that serve the Lord is not an accident! You have to do it on purpose! It is not easy. It takes hard work and dedication, but it is well worth it!
