WRONG PLACE! **WRONG TENSE!**

Matthew 28:5-6 “*And the angel answered and said unto the women, Fear not ye: for I know that ye seek Jesus, which was crucified. He is not here: for he is risen, as he said. Come, see the place where the Lord lay.*” When the women arrived at the tomb in Gethsemane early in the morning of the third day, they were expecting to complete the final burial details for their dead Jesus. They expected to find a dead body lying where they had hurriedly placed it a just a few days before, but when they arrived, they were met by a heavenly messenger with an important message. They were looking for Jesus in the **WRONG PLACE!** They were told that he was **not there** and were invited to come and see the place where his body

had lain. They witnessed an empty tomb! The body of Jesus was indeed **not** there. We know from other accounts that their next thoughts were about where the body might have been moved, but the angel had not finished his message. He then told them that they were also looking for the Lord in the **WRONG TENSE!** He said,

“I know that ye seek Jesus, which was crucified. He is not here: for he is risen...” What joy then filled their hearts that day! May we join together today to rejoice in the fact that the tomb was empty and that our Lord is not the Jesus who **WAS**, but rather the Jesus who **IS!** **HE IS ALIVE! HE IS RISEN INDEED!**

A NOTE TO PASTORS

Many churches have had us multiple times through the years, but we are always making new contacts too. We know that pastors are protective of their pulpits. Many will not have an evangelist they do not know or have not heard. We developed our web site: www.setlinc.com/bwemi so people can learn about our ministry, **but there is another way that pastors can “give us a try” without committing to an extended meeting.** When we have weeks in the schedule that we are unable to fill, it presents the option of having us for what we call a **“Get Acquainted Sunday.”** On these days we try to give churches a “taste” of the various facets of our ministry. We begin with a combined Sunday

School which, besides preaching, features an instrumental special and a puppet story. The morning worship service features vocal and instrumental special music followed by the message, and the evening service features more special music, a chalk drawing, and the message. If you wish, Mrs. Webb can teach in children’s church, and will usually conduct a children’s meeting during the evening preaching. Most of the pastors who have had us for a Sunday have requested an extended meeting in the future. **Pastors should note below that from mid-May through September of this year (2022) we are ministering in Illinois, Indiana, Michigan, and Ohio. We currently have six weeks open that we are working to fill. If you are in one of these areas and would like to have us come for an extended meeting, or just a Get Acquainted Sunday, we may be able to accommodate you.** You may contact us either by e-mail at bwemi@juno.com or you may call or text my cell phone at (607-207-6279)
