42 YEARS!

On August 28th, Cheryl and I celebrated forty-two years of marriage. We had finished a

Family VBS at a church near the Massachusetts coast, and had the day off, so we celebrated by driving to Plymouth on the coast.

We found a wonderful Seafood restaurant with a great view of the harbor and feasted on Shrimp, Sea Scallops and Clams! Then we took pictures at the Mayflower and perused a few tourist shops before

finishing things off with ice cream sundaes from a small stand.

August 28th also marked forty-two years of ministry together! When we graduated from college, I went right out into evangelism. Cheryl went home to Pennsylvania to work to get money for a wedding. We were married in August and on our return from our honeymoon, went straight out into evangelism together. I do not know what I would do without her at my side. She has been a wonderful wife, mother, and companion. We have been all over, in and out of the U.S. together! She has been an indispensable ministry mate, cheerfully singing, talking to puppets, arranging music, playing the piano, and teaching nightly children's classes and children's churches. I am truly thankful to the Lord for bringing her to me. Thank you for praying for us as we have served the Lord together "all these years!"

AUSTRALIA 2024

The next international trip we are working on is to Australia in August and September of next year. We have made two other trips to Australia. We were going to return in July of 2021 after spending the month of June in Fiji, but Covid closed the borders of both countries and we had to postpone both trips. Fiji has been rescheduled to 2025. Pastor Simeon Western of Northside Baptist Church in Adelaide, South Australia met us in Fiji and invited us to come to Australia. He is kind enough to set up our itinerary for us. Our ministry in Australia is much like our ministry

here in the U.S. We hold revival / evangelistic meetings in the local churches using portable versions of everything we do here in the States. We have seen some wonderful salvation decisions and a moving among God's people there. Some day we will have to develop an Aussie puppet, when I can finally get the accent down! No, the one in the photo is not a puppet!

Please pray that the Lord will lead Brother Simeon in arranging our schedule so that we can be a blessing to the churches and win more souls to Christ Down Under!
