SUMMER IS HERE!

Summer has arrived, and we have begun our summer schedule. We have already had two Family VBSs and will be leaving this weekend to speak in a Summer Bible camp next week. After that we have two summer revival series followed by a regular children's VBS and another Family VBS before we head back to home base in western Maryland to pack for our trip to Australia. That trip will take us until the middle of September when we begin our Fall schedule. Please pray for safety in our travels both here and abroad and for strength and energy for our busy summer meetings.

FATHER'S DAY MUSINGS

An important holiday found in the month of June is Father's Day. That, of course, is when children honor their fathers. However, as I was pondering the day, I began to consider how thankful I am to be a father and a grandfather! First, I am thankful to God for my children! The Lord blessed Cheryl and I with two precious daughters. It was a great blessing when they each trusted the Lord Jesus as Savior. We were happy for their willingness to serve the Lord as a part of our family ministry! We are thankful for the godly husbands (our sons-in-law) that they married, and for the seven grandchildren that they gave us. We recently had time off to visit each of our daughters and their families. It is wonderful to know that all seven of our grandchildren have made professions of faith in Christ. We were blessed to see them participating in the music programs of their churches. I also had the joy of training some of them in the basics of puppetry and seeing them use it in church. Perhaps on Father's Day most families are proud of and thankful for their fathers, but today it is I, the father, who am truly proud and thankful for my children and grandchildren!

GLOBAL EVANGELISM

AUSTRALIA 2024

We have our visas and are now working on tickets. The travel agent we used for years retired, so we are looking for a new one.

Fiji 2025

We are working on rearranging our schedule to accommodate changes in the government holidays in Fiji so that we can be the greatest use to the Dakus. Please pray that we will be able to work out the changes.
