We are continuing our busy Summer schedule. We had a wonderful week of camp in Pennsylvania. There were fifteen churches that participated in a week that was planned, staffed and hosted by Mt. Zion Baptist Church in Brogue, PA. The camp that Mt. Zion rented is called Penn's Grove Retreat, but for many years it was known as Camp Pamadeva. (*Pennsylvania, Maryland, Delaware, Virginia*) I can remember playing with my Matchbox cars on the roots of the trees in this camp as a small boy when my father was preaching at this camp. Years later I returned as a Junior camper, then a teen camper, then a counsellor and finally as a speaker with my own children with me. Some years I spent an entire month at Camp Pamadeva as the Hal Webb Team spoke for Junior and Teen weeks for two different groups of Independent Baptist Churches. The old wooden cabins have been replaced by block ones and the dining hall was

replaced years ago, but the open sided Tabernacle is still the center of the camp. That is as is should be since that building is where the most important activities of camp took place. Many souls have been saved in that old Tabernacle. Many lives have been surrendered to God there. Missionaries, pastors, evangelists and other full time Christian workers were called to ministry there. If the building could only talk what stories it could tell. Famous evangelists like Billy Sunday preached there!

We had a wonderful week of camp! Mt. Zion runs both their Junior and Teen camps concurrently. I was the main teen speaker but also spoke twice to the Juniors in a smaller secondary chapel. God blessed the services at camp. Teens filled the altar nearly every evening service. Souls were saved and at least one young man said he was called to preach! We look forward to returning in a few more years.
