Howdy "Pardners" and greetings from Greenville, South Carolina. I know, the last time we reported to you

we were in Texas and headed West. However, you may recall that I needed to come back to Greenville so that the cardiologist that did an ablation procedure for Atrial Flutter last February, could do another ablation procedure for Atrial Fibrillation. Cheryl and I finished a meeting in Killeen Texas on Friday, March 7th and the next day flew to South Carolina to prepare for the procedure on Wednesday, March 12. Thank you to all of you who prayed for me. The procedure went well and the doctor said he believes he was able to deal with all of the problem areas. I will now spend the next couple of weeks recovering. Please pray that I will heal quickly and completely from the procedure and that I will not be plagued by "A-Fib" again. We will, Lord willing, return to our trailer in Texas and head to Arizona to resume our meeting schedule again on March 13th.

SPECIAL PRAYER REQUEST

We would like to ask special prayer for Cheryl's mother Mrs. Lorraine Proper. She has been diagnosed with stage four cancer. It has been found in multiple places. (bones, breast, and lungs) Please pray that the Lord would heal her if that is His will, and that the

treatments that are being given to her will help her as she battles this disease.

ANOTHER REQUEST

The day before we left Texas for South Carolina I was washing the trailer and found that the right rear corner of the rig was beginning to separate.

We need to get that fixed right away before more damage is

caused due to water intrusion from rain. We have been on the phone, long distance, with mobile and non mobile repair options to get this work done while we are away. We will not be back to the trailer until March 31st. Please pray that the Lord will direct us to the right people to meet this need in the right timing.

GLOBAL EVANGELISM

Fiji 2025

We plan to depart on June 5th for Fiji. Veteran missionaries, Paul and Martha Daku are arranging our schedule. We look forward to the nightly evangelistic meetings and daily school assemblies. Please pray as the Dakus try to get permission for us to visit the schools again. The government is making it more difficult.
