WE HAVE ARRIVED!

At the writing of our last update, we had just made it as far as Arizona on our trip West. We had good meetings at the Trinity Fellowship Baptist Church in Phoenix. From there we headed north to Dewey. We celebrated a blessed Resurrection Sunday with the folks at Gateway Baptist, and had a wonderful week of meetings that ended with a man getting saved after the service on the last night. From Gateway Baptist (*Dewey, Arizona*) we moved on to Gateway Baptist (*Las Vegas, Nevada*). These folks worked hard to bring visitors. There was someone saved nearly every service.

Praise the Lord! From Las Vegas we crossed the Mojave desert and finally arrived in California. We ministered at Central Baptist Church in Pomona and preached in chapel at their Christian school.

The Lord gave us good attendance, and we rejoice in the souls who were saved there. We appreciate your prayers. You have a part in each soul that comes to Christ through our ministry.

BARRY'S HEALTH UPDATE

This week I passed a milestone. It has been two months since the ablation procedure to stop the attacks of Atrial Fibrillation. Praise the power of the Great Physician and thanks to the prayers of God's people, I am arrhythmia free! I now have four weeks of meetings "under my belt" with good energy and no physical issues. I am able to function as I did before these heart palpitations began two years ago. The doctor says everything looks good! Thanks again for praying.

VBS OFFERING SUGGESTION

If your church is looking for a project for your VBS offering, consider sending young people to Bible camp in Ukraine. Eric and Stephanie Chapman have located a property on a lake in southwest Ukraine to use to run camps this summer. Go to www.eurasianbaptistmission.com to donate. For info contact Dr. Chapman at chapmaneric57@gmail.com

UPDATE ON CHERYL'S MOM

Thank you for praying for Cheryl's mother, Lorraine Proper, as she continues to battle stage four cancer. Cheryl will be flying to Pennsylvania to assist her parents while I am in Fiji.

Fiji 2025

Please pray that the Lord will prepare the hearts of those to whom I will be ministering in Fiji. I will be holding four Sunday through Wednesday series of evening meetings in the churches of the missionaries. Please pray for the believers to be strengthened. Pray also for souls to come to Christ. Also, Lord willing, we are hoping to do two assemblies per day on Thursdays and Fridays in public schools. We have seen a harvest of souls during our past trips to Fiji. Please pray that the Lord will give us a fruitful ministry once again!
