THANK YOU...

...for your prayers! This past month we had two four-day meetings. Attendance was good. Visitors were present, and at least one soul trusted Christ! Praise the

Lord! We are currently taking two weeks off to visit Cheryl's parents and to give her sister a break from their care.

A SPECIAL PRAYER REQUEST

We are encouraged in the Scriptures, to bring our prayer requests to God's throne, but in **Matthew 9:38**, the Lord Jesus shares with His disciples that there is something on His heart that he would like His followers to pray about. **"Pray ye therefore the Lord of the harvest, that he will send forth labourers into his harvest."** If you were to ask me what I think are the greatest

challenges in the local church today, I would have to say that one of them is the need for dedicated leadership. As the Savior said in verse 37 of **Matthew 9**, **"the labourers are few;"**. For several years we have been seeing a reduction in the

labor force. There are fewer students in Bible Colleges training for full time ministry. Some of the most well-known Bible colleges in the nation have closed in recent years, so there are less places where workers can go for training. Add to that the fact that more of the pastors with whom we have worked in the past are now either retiring, retired, or with the Lord! The result of this attrition is a much smaller "pool" of laborers from which churches and other ministries can draw. In our last month of meetings, one pastor had resigned his church, another had announced his intention to retire, and one had passed on to glory. There are church pulpits in need of stalwart Preachers, Youth departments needing caring, enthusiastic Leaders, Christian school classrooms that need dedicated Teachers, Missionary fields in need of committed workers, church music programs in need of, faithful and uncompromising Directors. Let us all join together in asking the Father to send more laborers into His harvest!

Who knows where He will send you!

We are looking forward to the UK trip this Fall. Thanks to those of you who have prayed for the details to come together. Now we need to raise some extra funds to cover the hike in transportation costs due to the operation in Iran. Please pray that God will prepare the hearts of those to whom we will minister!
