SEASONS OF CHANGE

“And he changeth the times and the seasons...” Dan. 2:21. For the last month, we have been ministering in Michigan. Summer

has changed to Fall. Folks are visiting orchards to purchase ripe apples, fresh apple cider, and pumpkins, as well as exploring corn mazes. The changing foliage is one of the most anticipated Fall events. The countryside is ablaze with trees showcasing God’s amazing color pallet!

We are also seeing some changes in the people. Like bears tentatively emerge in Spring from the security of their dens, we are beginning to see folks appear from their Covid quarantines and return to church. Some churches have used our meetings to resume their bus ministries and door knocking. Masked Senior Saints are cautiously appearing. Most church members are tired of restrictions and are anxious to return to normal life and worship. Fear continues to keep lost visitors away, but where Christians have enthusiastically invited, we have seen some guests attend and souls saved, praise the Lord! There have also been many good decisions made by believers. Please pray that folks will **overcome** their fear and not be **overcome by** fear! **“For God hath not given us the spirit of fear; but of power, and of love, and of a sound mind.” II Tim. 1:7.**

We are also making a change. In the last year, we have asked you to pray for wisdom about replacing our aging fifth wheel travel trailer. We actively searched last year, but the Lord did not allow us to strike any deals. He knew the virus was coming, and that we would be out of meetings. We did not need to have the burden of trailer payments then. We resumed our search a few weeks ago and were shocked to discover that, due to Covid 19, RV sales have exploded. Dealers can’t keep them on the lot, and manufacturers can’t meet the demand. Supply chain problems and economic trade wars have also complicated matters, and we have been told that prices for RVs are going to skyrocket next

year. Only one of the major RV manufacturers has a model with a floorplan that will (*with modification*) work for us and that model has been discontinued. That means the few that are currently sitting on dealer lots are all that remain. We are now negotiating with a New Jersey dealership that has one of these trailers. Please pray that the Lord will work out all the financial and modification issues and that we will be able to complete this change before Fall changes to Winter.
