IN LIKE A LION, OUT LIKE A LAMB

“Be sober, be vigilant; because your adversary the devil, as a roaring lion, walketh about, seeking whom he may devour.” I Peter 5:8 “The next day John seeth Jesus coming unto him, and saith, Behold the Lamb of God, which taketh away the sin of the world.” John 1:29

It has been said that March “comes in like a lion, and goes out like a lamb. The Bible basically does the same thing. It begins with God’s creation of all things culminating in the making of man in His own image. Soon after, we see, the Devil, (who the Bible says is like a roaring lion

walking about “seeking whom he may devour”) in Eden, tempting Adam and Eve to disobey God. This **Deceptive**, and **Destroying** enemy was instrumental in causing mans **Fall** from fellowship with God, and his **Fear** of God’s judgement.

Yet the same righteous Judge unveiled His plan to send a Savior, a spotless Lamb, who by the shedding of His precious blood would, “take away the sins of the world.” The Scripture then traces the **Devastation** that sin leaves in its wake, and along side that, the **Development** of God’s redemptive plan, until that plan is executed with the **Provision**, **Punishment** and **Payment** of Christ. The enemy is **Defeated** and mankind is **Delivered** at Calvary. The narrative then closes with the **Resurrection**, **Ascension**, **Exaltation**, and **Glorification** of the Lamb as all Heaven rings with the cry, “Blessing, and honour, and glory, and power, be unto him that sitteth upon the throne, and unto the Lamb for ever and ever.” Rev. 5:13

GO FURTHER WEST!

At our last update, we were just starting a series of meetings in Texas. Two of them were repeat meetings and two were new. These church folks worked hard to invite lost friends and family to the services. We were blessed to see multiple folks saved in

nearly every meeting. In fact, at one church, there were folks saved every day but one. Praise the Lord!

It was a two day trek from Texas to Arizona. The terrain between these states climbs slowly up hill, and the prevailing winds are contrary, but, both days we had to battle unusually strong winds. On the second day we stuggled against the heaviest winds we have ever encountered. Our fuel mileage dropped dramatically as the truck fought to stay in its highest gear. Fuel costs climbed. We had our first \$100 fill up. (one of three fill ups that day.) Our trailer is heavy, and with the truck’s dual rear wheels we rarely even sense the wind, but that day we could feel the gusts push us around in our lane. We could see the big rigs being buffeted too. At one point I remember thinking that if the wind blew just a bit harder, it might topple the trailer. The gale billowed one of the trailer’s slide out awnings and damaged it. It took a half hour to secure it at the next fuel stop.

With God’s help, we arrived safely here in Tucson. We just finished our first services (a Sunday series) here. Praise God for souls saved both in the AM and PM! How encouraging it is to know folks like you are upholding us in prayer! Thank you!
