WATCH!

Mark 13:37 *“And what I say unto you I say unto all, Watch.”*

I love anything military, especially aircraft. My mother was from south Alabama. We spent many summer vacations camped at the Fort Pickens campground in Pensacola, Florida. Pensacola is the home of the Navy’s crack flight demonstration team, the Blue Angels. I know the sound of those aircraft. I remember being awakened by those engines. I would scramble out of bed exclaiming excitedly, “The Angels are

flying!”, as I threw on some clothes, and ran to a high spot behind the campground to watch them practice. As I write this, we have just finished a missions conference in Las Vegas.

It is the home of the Air Force’s answer to the Navy’s Blue Angels, the USAF Thunderbirds. Though I have seen the “Angels” many times, I had never seen the Thunderbirds. I was reading a local news web site one morning when I noticed the headline, **“Thunderbirds to “Flyover” Las Vegas today!** The article said the team would be returning from a show, and were expected to arrive between Noon and 1:30 PM. I was excited at the prospect of seeing them. I found myself not only frequently looking out the window toward the base, but I also left my desk

to go outside and scan the sky for them. Despite my vigilance, I never saw any “Flyover.” I did see one of the pilots pass overhead later on his way to the base, but wondered what

had happened to the rest of the squadron. Though I was disappointed at not seeing them that day, I did get to see them on another as they returned from practice in full formation. Running in and out of the trailer in anticipation of the Thunderbirds, I was reminded of the promise of our Lord’s return, and His admonition to watch for Him. We should be **WAITING** expectantly for His appearing, **WATCHING** for His return, and **WORKING** to do His will so we may hear His “Well done!” With the condition of our country and the world today, we should echo the apostle, John: **“Even so, come, Lord Jesus!” Rev. 22:20.**

ALL THE WAY WEST!

For the last month we have been in Arizona and Nevada. We have seen souls saved and believers encouraged despite Covid 19. We are now heading into California. It is still one of the most locked down states in the country. We plan to be there from May through August before we head east again in the Fall. I have spoken with some of the pastors we will be serving and, while some restrictions on churches have been lifted, others remain that will make normal ministry more difficult. I appreciate that pastors have not cancelled our meetings, but are being creative in using our ministry under the existing guidelines. Please pray that we will continue to see souls saved and believers strengthened during our time in California.
