

INTRODUCTION: We would like to introduce you to the **BARRY WEBB EVANGELISTIC MINISTRIES**. You may have met us at a Pastor's fellowship, attended one of our services when we were at another church in your area, or perhaps you received a contact e-mail from us. In any case, we would like to acquaint you with the ministry God has given us.

BACKGROUND: We both were raised in preacher's families. Barry's father, Evangelist Dr. Hal Webb preached the gospel for 67 years and is now with the Lord. Cheryl's father, Pastor Clifford Proper, (retired) pastored churches in Pennsylvania and New York State for many years. We are thankful for our godly heritage! We have been in full time evangelism since August of 1981. We are members of a solid, fundamental, Bible-believing and preaching, independent Baptist church, and are active there when not in meetings. We have experience ministering in Revival and Evangelistic meetings, Bible camps, Christian schools, Children's and Family VBSs, Family and Mission's Conferences, and on mission fields.

PURPOSE: We use puppetry, chalk art, and ventriloquism, along with a solid program of traditional, conservative, vocal and instrumental music, to prepare hearts for dynamic messages from the Word of God. (*We only use the King James Bible in our ministry.*) Everything is designed to reach each level of the family, strengthening it, and thus strengthening the local church for the purpose of winning souls to Christ and edifying believers. Nothing we do is for entertainment purposes. We do not put on a "show." Each facet of our ministry complements the message from God's Word. The children's services Cheryl conducts during the preaching are designed to communicate Bible truths to them on their level.

STAND: The team takes a strong stand on the importance of the local church and the inspiration and authority of the Scriptures. They have a strong emphasis on dedication, soulwinning, and the necessity for holiness in every area of Christian living, including dress and music.

RECOMMENDATIONS: **Walter Lancaster – Pastor of Allegany Baptist Temple, McCoole, MD (*Webb's home sending church*)** "Barry and Cheryl have been members of our church for forty-one years. I have observed their lives closely and have found them to be rock solid in their convictions and Christian character. The Webbs have a keen understanding of the workings of the local church. When they are home, they serve in every facet of our church ministry. I recommend Barry without reservation to any pastor seeking an evangelist that preaches straight as an arrow but does it with a heart of compassion."

Steve Kilhau – Pastor of Stockton Baptist Church, Stockton, CA. "It is my privilege to highly recommend to you the ministry of Barry and Cheryl Webb. Brother Webb is a God-called and God-used Evangelist. Together they have been greatly used of God each time they have come to our Church and School back to 1992. These are dear friends and have raised Godly children that continue in the service of the Lord. Their ministry is multi-faceted including puppets and chalk art along with Biblical and timely messages. Their music is always Christ-honoring, so you never have to worry about that issue."

John Leatherman – Pastor of Dry Run Independent Baptist Church, Duncansville, PA. It is with great joy that I recommend to you Evangelist Barry Webb. I have known the Webb's for over 30 years, and I can say without hesitation that they have been faithful to the Lord's work. He has preached in our church many times and we have been blessed each time. The need in America and in our churches is great today! If we want revival and God's blessing we must get back to using the gift of the evangelist. You will find none better than Barry Webb. Brother Barry's preaching will build your attendance during the meeting along with puppets, chalk drawings, special music, and a great sense of humor. To any pastor reading this, your folks will love the Webbs!

Don Sculley – Pastor of Grace Bible Baptist Church, Corinth, MS. "Dr. And Mrs. Barry Webb are faithful folks, with a long track record of diligent service for the Lord. They are gracious and kind while being people of strong Bible conviction. Their music is vibrant, using several instruments and not contemporary at all. Bro. Webb's preaching is pointed, doctrinally sound, clear, and fresh. The children love the puppets with their Bible stories and the grown-ups get a smile and Bible truth also. The Webbs have always left us helped and encouraged after a week of meetings."

Graham Foran – Missionary Church Planter in Metro Sao Paulo, Brazil since 1986 “Barry Webb has been with us in Brazil on multiple occasions. Each time his ministry has made a positive impact on our church planting outreach. We have always had salvation decisions. He is well received by the national brethren. We do not have to wonder about what Barry will preach or do. No embarrassments, just good gospel preaching and teaching. Barry is a hard worker, always ready to do the extra meeting whether it is a children’s crusade, a revival meeting or a home visit. I told him in our last letter, “come back anytime.”

Ben Shore – Missionary and Pastor of Southside Free Baptist Church, Loanhead, Scotland, UK “The Webbs have come on multiple mission trips to our church. We love them and are very thankful for their labor of love in our ministry. If you need a good evangelist or VBS help, I unhesitatingly recommend them. This couple uses all their talents for the Lord. Brother Barry is a good preacher and Cheryl is an excellent teacher. They do puppets, ventriloquism, chalk art, and special music.”
