Mark 4:41 *"...even the wind and the sea obey him."*

Last week we were in a meeting in Florida at a church where we have ministered before. On Wednesday, a line of severe storms arrived in our area. A peaceful morning turned into a tempestuous afternoon. At two o'clock a tornado warning was issued, and we took shelter in the church. The wind was relentless and the rain torrential, but by four o'clock things had calmed down again. I thought about the disciples in the storm on the sea of Galilee. It must have been **SOME STORM** to make seasoned fishermen fear for their lives. They were **STRUGGLING SAILORS** desperately working to keep their **SINKING SHIP** afloat. But in the midst of their tempest, the disciples went to the Master for help. Their **STRONG SAVIOR** addressed the elements *"And the wind ceased, and there was a great calm."* Mark 4:39. We must all face severe storms in life that cause us to struggle to keep our spiritual ship from sinking. So may we like the disciples run to our strong Savior remembering that *"...even the wind and the sea obey him."*

CAN YOU HELP?

For years, Cheryl has taught in Junior church. She has also, conducted a nightly "Kids Class" while I preach. As part of this class, she teaches flash card Bible Stories. If you have either

of the following books in good condition, and are not using them, would you consider donating them to us so that Cheryl can replace her worn out ones? These were both published by CEF but are now out of print. There are newer versions, but Cheryl wants the older ones. They are entitled, "Children of the Bible" and "Lost and Found."
